About CURE Childhood Cancer

Founded in 1975, CURE Childhood Cancer is a non-profit organization dedicated to conquering childhood cancer through funding targeted research while supporting patients and their families. CURE is a leader in advancing research to improve outcomes for affected children, investing at least \$4 million annually in promising studies. Through innovative programs, CURE provides crisis-oriented support to families. For more information, visit www.curechildhoodcancer.org.

“When your child is diagnosed with cancer, you join a sisterhood that no one would willingly pledge, but one that provides immeasurable strength and support. The Quiet Heroes luncheon provides us moms a place to step outside the ‘cancer mom’ persona and for a few hours just be us. Thank you!”
