Quiet Heroes

A Quiet Hero embodies strength, love, and determination. She faces each battle with grace, providing selfless love, unwavering support, and hope through her child's toughest days.

ABOUT QUIET HEROES

Each spring, *Quiet Heroes* brings more than 500 guests together for an afternoon of laughter, celebration, and connection in support of children with cancer. At the heart of the room are mothers whose children have faced cancer. They attend as CURE Childhood Cancer's guests, and the afternoon belongs to them. Surrounding them are friends, community leaders, and CURE supporters who come together to honor these remarkable women and stand behind their families.

On March 13, 2027, at Flourish Atlanta, nationally touring comedian and cancer survivor **Karen Mills** will bring the humor that has earned her millions of fans. Beloved Atlanta radio personality, fellow Quiet Hero, and CURE staff member **Jenn Hobby** returns as emcee, bringing warmth and authenticity to an afternoon filled with laughter and inspiration.

Sponsoring *Quiet Heroes* is an opportunity to be part of something truly special. It's a chance to bring friends, clients, or colleagues together for an unforgettable afternoon while celebrating extraordinary mothers and demonstrating a meaningful commitment to children and families facing childhood cancer. Sponsorship also offers opportunities for recognition among CURE's engaged community of supporters, with benefits designed to reflect each level of support.

And the impact goes far beyond one afternoon. Proceeds from *Quiet Heroes* fund research toward better treatments for children with cancer and provides critical support to families in the fight.

An afternoon dedicated to the women who give everything. An opportunity to give something back.

Karen Mills
Comedian

WHY BELIEVE IN CURE?

Cancer is the leading cause of death by disease in children, and diagnoses are on the rise.

Yet the federal government allocates a mere 5% of its research funding to focus on pediatric cancers. CURE stands in the gap – funding targeted research that will save lives and give children their best chance at a bright future.

In the last 10 years, CURE has invested more than \$48 million in lifesaving research

focused on helping children with the most difficult cancers. CURE is the leader in advancing precision medicine, which tailors treatment to the unique genetic makeup of each child's cancer rather than relying on a one-size-fits-all approach.

CURE also supports families devastated by childhood cancer through programs designed to meet a family's emotional, practical, and financial needs. From emergency financial assistance to meals and counseling, CURE is committed to walking alongside families throughout their cancer journey.

CHILDHOOD CANCER

Banks, Age 8
leukemia

For the 18th consecutive year, CURE has earned a four-star rating, the highest possible, from Charity Navigator, America's premier assessment organization for sound fiscal management, accountability, and transparency.

"Only 1% of the charities we evaluate have received at least 18 consecutive 4-star evaluations, indicating that CURE Childhood Cancer outperforms most other charities in America."

- Michael Thatcher, CEO, Charity Navigator

BE IN GOOD COMPANY

Become a sponsor and join a community of top corporations that have supported *Quiet Heroes*.
